## **Office Cleaning**

Clearview Office Cleaning Services understand that a clean and tidy work place is a happier and more productive one, where both staff and visitors can feel comfortable in a clean, pleasant environment. Our friendly and reliable cleaning staff are trained to the highest standards in order to provide an office cleaning service that both compliments and adds value to your business. We will ensure that all of your cleaning needs are completed at a time and schedule that best suits you and the needs of your staff, leaving you free to focus on your business.

With Clearview Cleaning it's easy, we can tailor a cleaning package to suite your needs with just one call. We will discuss your requirements and propose an office cleaning package to cater for the size of your office, the nature of your business, number of employees and budget. Frequency of services is available from 1 day per week or 7 days a week at a time that is non disruptive to your business.
